Good News

In the early hours of 15/12/21 police received a report of a suspicious vehicle in the Tattershall area. Officers from the road policing unit and a dog handler

attended the area to support local response units in conducting a search for the car which was found in Horncastle a short time later. The occupant/s ran from the car in an attempt to evade capture. A suspect was found by the police dog hiding nearby. The suspects' car was searched and a quantity of items believed to be Christmas presents stolen from vehicles in the Tattershall and Coningsby areas were found. The suspect was arrested for multiple offences which form part of an ongoing enquiry.

Meet the team

The team will be holding Covid Safe Community Police Surgeries through January for you to say hello, & to get advice and help re any issues you may have.

ASB Positive Action

Thank you for the help and support we have had from the community re reporting issues to ourselves.

This has enabled us to issue five Anti-Social Behaviour Warning Letters for persons identified in Coningsby and Tattershall where their behaviour has not been acceptable. These letters are issued in conjunction with the Community Safety Team at East Lindsey District Council.

The warnings last for six months and they are very effective in reducing repeat behaviour.
